Claims Handling

MEGA recognizes that public entities have unique claims. Your claims will be administered by our team of experts who understand your needs. MEGA partners with CCMSI, a leading national third party administrator, to bring the best industry practices to claims administration and adjudication. CCMSI provides services to MEGA directly from its Wakefield, MA location, but brings extensive public entity experience to the table throughout the United States. They presently operate in all 50 states and manage \$250M in public entity insurance premium for 25 public entity self insurance programs and multiple private sector and stand alone insureds. CCMSI has partnered with MEGA since 2002 and our experienced local team is highly familiar with MA jurisdictions, attorneys and judges.
